First Student to Reach RAM Status at MJTC

Mansfield Juvenile Treatment Center (MJTC) had the honor of adding its first Student Athlete to the ranks of RAM Status. Student Athlete F.W. has worked extremely hard to transform his behavior and life while on the MJTC campus. While assigned to Mansfield, F.W. has diligently worked on completing his GED and has joined the World of Works (WOW) program. He has become a role model for all his fellow students and the staff at MJTC.

During Student Athlete F.W.'s speech explaining why he deserved to be a RAM, he stated that he feels like his life has changed for the better and that it's all because of the responsibilities and opportunities given to him while being an intern.

F.W. has shown that he can lead his fellow students in the right direction. We are all extremely proud of this young man and look forward to watching him continue to grow!
